Measure smallest part of
your natural waist.

natural waist.

SWIMSUIT FIT GUIDE

See catherines.com if in between

FIND YOUR PERFECT BRA SIZE

STEP 1 Put on your best fitting,
non-padded bra. Using a soft
measuring tape, measure around
your chest, just under the arms
above the bust. If measurement is
odd, round down to the nearest
number. This is your band size.

STEP 2 Measure around fullest
part of bust.

STEP 3 The difference
between your band and bust
measurements is your cup size.
